YMCA Bounce House Rules and Tips:

- **Socks are required** in the inflatable. The visitors, especially the children, must wear socks the whole time. Please remind your guest and include on the invitation.
- **Flips are prohibited.** Please do not encourage children to do flipping or rough play.
- Prior to getting into the bounce and play, all forms of jewelry should be eliminated and the pockets should be emptied. Other things such as iPods, cell phones, keys, along with other small things should be kept away before entering the inflatable bouncer.
- Strictly adhere to the child total capacity and bodyweight limitations of each inflatable bouncer to prevent over-loading. The inflatable has a note clearly stating its specifications. (Y-Staff will communicate with party host) They are fully aware of the basic safety precautions and are knowledgeable with the correct use of the inflatable.
- There should be no food or drinks permitted inside the bouncer.
