

Dear Community Partner,

At The **Clifton Springs Area YMCA**, we've served thousands of youths and families in the Clifton Springs area for over 145 years. One of our many missions is to bring people together in pursuit of spiritual, mental and physical growth, to build community, and to serve.

On June 2nd and 3rd of 2023, we **are proudly hosting the Sulphur Springs Festival!** This event will feature a parade, food, live music, kid carnival games, talent show and more! We know our efforts will go even further with your company name as a sponsor.

In this role, your business would provide a monetary amount and in turn we would promote your company as an event sponsor at the event as well as other promotional ads, websites, and social media. With your company name tied to this event, we are sure to achieve our fundraising goal of \$10,000 enabling us to give back to Clifton Springs and the surrounding communities.

Help us celebrate historic beautiful downtown of Clifton Springs and all it has to offer. The Sulphur Springs Festival Committee needs your financial support to help offset the cost of the **Kids Carnival, Parade, Entertainment, and contest winners**. There is no cost to enter the festival.

If your company/organization is interested in being an event sponsor, please reply to David@csaymca.org or Todd@csaymca.org. Thank you to those who have contributed to the festival in the past. We look forward to your continued support.

Sincerely,

David Michaels
Assistant Executive Director
